

# #NOTINVISIBLE

PUTTING A FACE ON BRAIN INJURY

## Brain Injury Awareness Campaign - Lansing, MI

Join Amy Zellmer for an evening of inspiration and be a part of her awareness campaign.

Amy is launching a two-year, international awareness campaign through the use of photography to visually show that while brain injury may be an invisible injury – *the survivors are not!* She is raising awareness of this invisible injury that affects over 3.5 million American’s each year in an effort to help people find resources sooner.

During this event you will hear Amy’s story and have the opportunity to add your photo & story to Amy's awareness campaign. In addition to having your photo professionally taken by Amy, you are invited to participate in a research survey Amy is doing in partnership with CTE Hope to *identify trends in types, diagnosis, and resources of brain injury.*
