

2024 TBI Doctor Guide

Curated by Faces of TBI

www.facesoftbi.com

Hi, I'm Amy Zellmer. I suffered a TBI in 2014 after a slip and fall on black ice. I have curated this TBI Doctor's Guide in an effort to help you find the proper providers and treatment sooner in your recovery. There truly are doctors out there that know how to treat TBI and will listen to you and give you HOPE ... and I have compiled some of the best in this guide for YOU.

In addition to the Doctor's Guide, be sure to check out my podcast, books, and the Concussion Discussions summit on the pages that follow.
